

Ready, Set, Graduate!

Basketball Challenge

January 10, 2019

Dear Community Partner:

True to our name, Communities In Schools brings community, resources, and relationships inside our schools to connect students to what they need to succeed - this spring, we will bring the community to the basketball court for some friendly competition to support our mission!

On April 5, 2019, teams of volunteers from local companies, schools, and organizations will face off for the grand prize - a chance to play against the Communities In Schools All-Star Team, made up of our high school students! Our middle school and elementary school students will take the court too, showing off their skills in various challenges.

We hope you will join us in making this community event one to remember through an in-kind donation of a gift certificate, merchandise from your business, or an event/experience that we can use in a raffle on event night. All proceeds from our raffle baskets will directly support the students we serve in our community.

If you'd like to participate as an in-kind donor, please complete the attached Raffle Donation Form. We are happy to accept donations via mail to the address below or we can pick up your item(s) at a location that is convenient for you. Please call or email Kathy Heckman with questions or to coordinate your donation at 484-834-8830 or heckmank@cisl.org. Thank you for considering our request!

Our Ready, Set, Graduate! Basketball Challenge will take place on April 5, 2019 at Northampton Community College's Spartan Center (3835 Green Pond Rd, Bethlehem, PA 18020) from 6:00pm-8:00pm. **We invite you and your family to join us as guests as we bring a taste of local basketball excitement to the Lehigh Valley!** Learn more on our website (www.cisl.org) and Facebook Page: @CISLV.

Kindest regards,

Brittany Pierzga
